Kiwaniis Lakeshore

June 1, 2022 – Meeting at 7 p.m. via Zoom

Word from the President

Good day Kiwanians,

Welcome to June folks! Lots of things are happening and it's crunch time.

We closed out May with a garage sale on May 28th at Jo-Ann's residence. Your enthusiasm, your presence and your donations of goods were successful for our Club.

Golf breaking news: Hole-in-One prize of \$25,000!!!

The tournament is in full swing and sales are brisk! Let's band together to get more players, sponsors and donors. The countdown is on to June 21st! Please get involved and consider sharing on your social media networks too.

Our guest-speaker, Lynn Charlebois is coming to update us on WIAIH and their services including CAMP KIWANIS. We look forward to your presence and support for WIAIH.

I look forward to seeing you at the meeting.

*In service,
Jag NaraSimhaDevara*

Guest Speaker: Lyne Charlebois.

Lyne is Executive Director of West Island Association for the Intellectually Handicapped (WIAIH).

Several years ago, WIAIH chose to name one of its summer programs "CAMP KIWANIS" to acknowledge the help and contributions made by KCLM towards the creation of this program. This day camp is for children and adolescents with a serious behavioral disorder

along with a severe disability or physical constraint, to benefit from a multitude of activities tailored to their needs.

National Indigenous Peoples Day was declared in 1996.

This special day is observed on June 21st and marks the summer solstice. This date was chosen to reflect the spiritual importance of the summer solstice to all the indigenous people of Canada.
