May 18, 2022 – Meeting at 7 P.M. via Zoom

Word from the President

Greetings and welcome to this meeting.

Thank you to all 20 members who attended our AGM. It was a great meeting in the restaurant setting and on Zoom at the same time. We now have a brand-new board full of energy. Please join me in wishing them well for the coming year.

May is membership month and we are going to induct Frank Gattinger. Frank has been helping our club for months as an accountant and is strengthening our financial processes. Please join me in welcoming him to our club. This has been a phenomenal year for membership, thanks to you all.

Special Olympics Bowling: We are back in force with Johanne Senécal and Ron Della Porta volunteering. We are looking for more help on some Sundays from 9:15 to 11 AM. Please contact Ron for details.

Golf: We are excited to have a very special Guest of Honour at this year's tournament, the amazing 99 years young, Mary Morrison who lives right here in the West Island! She will cruise around the course and join us for Cocktails and Dinner. Mary told us, "**who says you can't be old and still play golf!**"

The tournament is in full swing. Sales are brisk and there is lots of interest in what we do in the community. Please get your tickets, get involved and reach out to friendly Businesses for sponsorships. Contact the Golf committee members for details.

Forks & Corks is just weeks away! Please get into the spirit of the event by reaching out to businesses and friends to sponsor a bottle and join the party.

We have a great guest speaker tonight, Kiwanian and dear friend David Dorrance. This is a great meeting to invite friends to learn about our important community initiatives and meet this week's Guest Speaker.

*In service,
Jag NaraSimhaDevara*

Guest-Speaker: David Dorrance is a Health Care Worker, Business Executive, Coach and Trainer, and now President of the Board of Directors of Ricochet. Their mission is to create accommodation resources for young people living in residential instability in the West Island.

David will take us on somewhat of a virtual tour of the Halte-Chaleur de Lachine, the most recent warming center for youth in the West Island. Ricochet is one of the main beneficiaries of our golf tournament.
