Word from the President

Dear Members and Friends,

It is with anticipation as your re-elected president, that I am looking forward to the coming year. Many new and fresh activities have been occurring during the past year and I am looking forward to continuing with enjoyable events and encounters to enhance the presence of Kiwanis in our communities. This takes real teamwork, and your participation is most welcome. Please do not hesitate to let myself and my board know where your interests lie. As another chapter begins for 2023-24, there will be many expected and unexpected challenges. We are ready to face these and hope that we can call upon you for your help.

As you know, tickets are now on sale on our website for the celebration of our 65th Anniversary. It will be an event to remember with pride as we welcome John Chave, Governor of Eastern Canada and the Caribbean District as a special guest. Space is limited so please purchase your tickets without delay and join us in celebrating 65 years of service to Kiwanis Kids and many more joyful years to come.

Your President,
Jo-Ann A. Davies
