### Word from the President

Dear Kiwanians and friends,

I am very honoured to serve as your president in this coming year of 2022-23.

As the world starts to lift public health restrictions and resume normal activities, I am reminded of an ancient saying "May you live in interesting times". The pandemic has surely served as a reminder that life doesn't progress in a smooth upward path. It's full of change and new directions. I am joined by our new board of directors and committee members in looking forward to a challenging and productive year.

As Kiwanians we know that we will use all of our collective skills and creativity to accomplish new and innovative ways to serve the children of our community. We will soon embark on some wonderful new projects and look forward to a great year together.

Sincerely, Jo-Ann A. Davies
