President's Message

Dear fellow Kiwanians,

Welcome to a new Kiwanis year, 2021-2022!

My name is Jag NaraSimhaDevara and I will be your president for the next year (2021-2022).

Before I begin discussing my plans and objectives for this year, I'd like to take the opportunity to thank our past president Andy for his great leadership and a solid two years.

Under his leadership we have seen a substantial increase in the addition of new members. We have also had several highly qualified professionals generously volunteer their services and become part of our growing Kiwanis family.

We have hosted a fantastic, unparalleled Golf Tournament in the most difficult of times. As vice president under his leadership, I have learned a lot.

Thank you, Mr. President!

This year, I wish to keep steady and follow in Andy's footsteps with incremental improvement (Kai Zen method) toward a better goal.

My Objectives

1. increase our membership (10)
2. continue to build upon the successful fund-raising endeavors set by Jo Ann
3. Involve our membership at large in day-to-day operations of club functions.

For the time being, I will keep the committees as they were created. All committee chairmen will create their subcommittees and plans and present them to the Board.
