Word from the President

Dear Kiwanians and guests,

It's been a year since you elected me as your President and, albeit the difficult times we faced, we continued our Lakeshore Kiwanis tradition and have flourished. Thank you for your trust and confidence in making me your President and for your guidance and support in making it a successful term.

So far, we have had our largest number of new memberships, our most successful nut and cake sales and our best golf tournament. We have also expanded our support and help to more beneficiaries, increased our volunteer base, made many headways in the digital world, and streamlined our accounting.

I wish our new team lots of success and progress as they take over with President-Elect Jo in the coming year! I am sure they will get us back to having face-to-face meetings, rejuvenate meeting attendances and fellowship; and attract new members who always bring more ideas, activity, and vigor to our club.

Remember our club belongs to everyone irrespective of position. I appeal to all Kiwanians to get involved and support our incoming team in getting back to traditions and our core values. Traditions and values make clubs strong, and with everyone involved and sharing the load we will continue to be successful!

I congratulate our Past President Andy as our new Lieutenant Governor and wish him well.

Thank you to all Kiwanians, board members, committee chairs, committee members, and volunteers for their dedication and hard work.

Thank you. I wish you all a pleasant evening.

In service,
Jag NaraSimhaDevara
